Letter No g T 703 dated 25-9-36 from the President, city Municipal Council, Mysore, stating that in the circumstances explained the question of granting exemption to the three Municipal Schools from payment of water charges does not appear to arise –

1) The President, city Municipal Council, Mysore, states that as the water charges are levied only for half the consumption, the said charges may be construed to pertain only to 3 Municipal Schools, the three Govt schools being exempted & that the non inclusion of water charges in the Govt grant sanctioned to the Local Education Authority referred to by the Director of Public Instruction cannot be a sufficient ground for the Municipality to waive their claim for water charges due on Municipal schools

Sir,

With reference to your letter No L 8653/M1 174-35-12 of the 13th ~~ultimo~~ May 1936 calling for a report in respect of the Director of Public Instruction's letter No S2-4227-281/35-36 dated 27-4-1936 addressed to Government to the effect that water charges may not be levied on the 6 schools located in the Exhibition buildings, I have the honour to invite kind reference to my letter No G P 1518 dated 15-1-1936 and the note submitted therewith, wherein the circumstances governing the levy have been fully set-forth

As stated therein, water charges at the concession rate of 0-8-0 per 1000 gallons have been claimed for only half the actual consumption of water from 1-7-1933, in view of the exemption applicable to Government schools So the charges levied may be construed to pertain to only the 3 Municipal schools located in the Exhibition building The non-inclusion of water charges in the Government grant sanctioned to the Local Education Authority referred to by the Director of Public Instfuction cannot be a sufficient ground for the Municipality to waive their claim for water charges due on Municipal Schools

Further the Council's proposal to levy water charges as above, the charges arrived at onthe above basis being borne by Government and the Municipality in the proportion of 2: 1 was sanctioned by Government in their order No L 7323-6/M1 174-35-7 dated 25/26-3-1936

In these circumstances, the question of granting exemption to the 3 Municipal schools from payment of water charges, does not appear to arise

I have the honour to be,
Sir,
Your most obedient servant,

President
